

SEASC 2005 PAPER'S TIMETABLE

Venue 1. 13.30-15.15 - 22/11/05 (Teusday)

Session 1

Spatial Data Acquisition (GPS)

54 7 Habits Of Effective Geomaticians

Jemmy Ang

7 Global RTK Network Solution

Gavin Schrock, PLS

75 GPS For Regional Crustal Deformation Measurement: Case Study Of Aceh Earthquake 2004 And Nias Earthquake 2005

Kamaludin Omar

Kee Tuan Chew

W.F.J. Simons

24 GPS Reference Network System

Lin Lin Ho

Photogram., Remote Sensing & Cartography (Photogrammetry)

Session 2

Venue 2. 13.30-15.15 - 22/11/05 (Teusday)

48 A Generic Line Based Model For Georeferencing Of High Resolution Satellite Imagery

Maryam Aminya

Tony Schenk

Farhad Samadzadegan

13 Determining 3D Deflections Of Beams Using Close Range Digital Photogrammetry

Mushairry Mustaffar, Assoc. Prof. Dr.

4 Make The Aerial Videography Work As A Low-Cost Aerial Mapping

Catur Aries Rokhmana

61 Raster Techniques Of Image Orientation – A Performance Test

Wednesday, 16 November 2005

- Finnian Ocionnaith**
- Karel Pavelka**
- Jiřina Záleská**
- Josef Pazdera**

46 Using Of 3D Scanners For Cultural Heritage Documentation

Geomatics (Geodesy)

Session 3

Venue 3. 13.30-15.15 - 22/11/05 (Teusday)

11 Calculations On Approximate Numbers

- Miroslaw Żak, Prof.**

37 Development Of A Fast Monte Carlo Radioactive Transfer Model For The Atmosphere And Surface

- Tadao Aoki, Dr**

16 Four Surveyors Of The Gods: In The XVIII Dynasty Of Egypt – New Kingdom C. 1400 B.C.

- John F. Brock**

6 Kalman Filter For Multi-Surveying-Robot Deformation Monitoring Survey

- Tor Yam Khoon, Dr.**

71 Multi-Dimensional Deformation Detection Procedure Using ROBUST METHOD

- Ernyza Endot**
- Halim Setan**

Photogram., Remote Sensing & Cartography (Cartography)

Session 4

Venue 4. 13.30-15.15 - 22/11/05 (Teusday)

45 Application Of Laser Scanning In Hong Kong

- Frank Fung Wing Hung**

36 Atlas Information Systems – Organisation Challenges (Sustainable Development Of Russia CASE STUDY)

- Vladimir S. Tikunov,**

57 Atlas Of Under-Represented Population Groups Of Borneo

- Kazimierz Becek, Dr.**
- Pangiras Michael, Dr.**

21 Locate A Missing Tree From A Single Photo

- Conrad Tang, Dr.**
- Leung Shou-Chun, Prof.**

Wednesday, 16 November 2005

17 Socio-Economic Development And Biomass Depletion: A Case Study Of A Selected Site In Tutong District, Brunei Darussalam

- Kazimierz Becek, Dr.
- Pangiras Michael

Spatial Data Acquisition (GPS)

Session 5

Venue 1 . 15.30-17.15 - 22/11/05 (Tuesday)

27 Astrata Sirius-Lite Vehicle Tracking System

- Maurice Borer, Mr

3 GPS Surveying Using Navigation Type Receivers

- Hasanuddin Z Abidin, Dr.

15 Hollywood Movie Surveyors: The "R" Rated Version(IV)!!!

- John F. Brock

66 Smart Surveying By Leica Geosystems

- Neil ASHCROFT

Photogram., Remote Sensing & Cartography (Remote Sensing)

Session 6

Venue 2. 15.30-17.15 - 22/11/05 (Tuesday)

89 Accurate Three-Dimensional Coordinate Determination From Ikonos Imagery Using Affine Transformation

- Clive Fraser
- Wicha Jiwalai, Dr.
- Itthi Tririsatayawong

29 Remote Sensing Application In Brunei Shell Petroleum Sdn Bhd

- Cheng Yuhua
- Amy Rizal Wahid

56 Satellite Remote Sensing In Monitoring Of The Environment By CRISP

- Kwoh Leong Keong, Mr.

9 Study Of Ocean Color Using Landsat ETM Satellite Imagery: Case Study Of Mahakam Delta, East Kalimantan, Indonesia

- Ir Wiwin Ambarwulan

69 Using Satellite Data For Environmental Hazard Areas Monitoring

- Karel Pavelka
- Lena Halounová

85 Autodesk's Presentation

 Paul Kuah

86 Database-Driven Geospatial Systems: Bringing Real-Time, Mission-Critical Location Services Anywhere Anytime

 David Forden

1 Rapid Static Survey Using The Singapore Integrated Multiple Reference Station Network

 Victor Khoo

35 Real-Time Monitoring Of Offshore Gas Platforms Using Precise GPS Method

 Ong Eng Wah @ Patrick

Spatial Data Management (GIS)

Session 8

2 Applications Of GIS For Strategic Forest Planning: The Integrated Forest Planning System (IFPS) Approach

 Dionisio T. Battad, Dr.

25 Emergency Preparedness Using A Global GIS And Data Infrastructure

 Pg. Shahminan Ali Mark Tuttle

64 Planning For Flood Hazard Reduction: A Case Of Neelum-Jhelum Valley, Muzaffarabad, Azad Jammu & Kashmir

 Atta-Ur-Rahman Amir Nawaz Khan, Prof. Dr.

60 Planning For The Reduction Of Landslide Hazard: A Case Of Muzaffarabad, Azad Jammu & Kashmir

 Atta-ur-Rahman Amir Nawaz Khan, Prof. Dr.

20 The Use Of Spatial Data For Geographical Assessment Of Lasolo Forest, South East Sulawesi, Indonesia

 Siti Imami-Soewondo Ade K. Mulyana

Geomatics (Surveying)

Session 9

58 Developing A Digital Terrain Model For Brunei Darussalam

 Kazimierz Becek, Dr.

42 Land Subsidence In Jakarta Metropolitan Area

- Rochman Djaja
- Suwahyuono
- Suprajaka
- Khafid

34 Measuring Ground Subsidence In Shanghai Using Permanent Scatterer Insar Technique

- X.L. Ding
- P. Damoah-Afari

63 Subsidence Monitoring Of Offshore Platforms In Malaysian Waters Using GPS Technique

- Halim Setan
- Rusli Othman

Photogram., Remote Sensing & Cartography (Remote Sensing) **Session 10** Venue 2. 10.15-12.00 - 23/11/05 (Wednesday)

47 A Neuro-Fuzzy Classification Technique For Automatic Land-Cover Mapping

- Ali Azizi
- Farhad Samadzadegan
- Ahmad Javahery

49 Automatic Registration Of Aerial Imagery And Lidar Data Based On Linear Features

- Tony Schenk
- Farhad Samadzadegan
- Sara Saeedia

50 Evaluation Of The Potential Of Different Data Fusion Techniques In Remote Sensing

- Ahmad Abootalebi
- Sara Saeedia
- Farhad Samadzadegan

51 Segmentation Of Lidar Data Based On Fuzzy Clustering And Data Fusion Concepts

- Mehdi Maboodi
- Ali Azizi
- Farhad Samadzadegan

19 The Impact Of Image Formation Process In Geopositioning From Stereoscopic Spotlight SAR

Ade K. Mulyana

Geomatics (Batygraphy/Laser Scanning)

Session 11

Venue 3. 10.15-12.00 - 23/11/05 (Wednesday)

23 3D Laser Scanning

Peter Lingvist

26 3D Laser Scanning Applications In BSP

Md. Youhanez

Khairur Yussof

67 Deepwater Geohazards Study And Best Survey Approach

Kelvin Chow

73 Industrial Surveying Applications Using Geodetic And Laser Scanning Techniques

Mohd Sharuddin Ibrahim

Halim Setan

Spatial Data Management (GIS)

Session 12

Venue 4. 10.15-12.00 - 23/11/05 (Wednesday)

33 Cadastral Temporal Geographic Information Systems And Applications In Turkey

Mehmet ALKAN, Dr

62 Geographical Information System In Transportation Planning By Using Of GIS Software And EMME/2 Transportation Software

Jamili Jafar

31 Spatial Database Model For Coastal Management In District Area (Kabupaten) With A Study Case In Cilacap Central Java – Indonesia

A.Ari Dartoyo

52 Spatial Time Series Data To Support Coastal Land Resources Economic Evaluation: Case Study In Kangean Island, East Java Indonesia

Turmudi

Suwahyuono

Irmadi Nahib

18 Tourism Development In Jemaja, District Of Natuna, Province Of Riau Islands, Indonesia

Helman Hasan

Geomatics (The Future)

Session 13

Venue 1. 10.15-12.00 - 24/11/05 (Thursday)

8 Demonstrating The Future – Interoperable Spatial Services

- Paul Kelly
 - 88 Geoinformation Technology in Survey Department
 - Hj Mohd Jamil bin Hj Mohd Ali
 - 22 Geomatic Education: Time To Do Some Re-Alignment?
 - Mustofa Din Subari
 - Azmi Hassan
 - 14 Superstar Surveying: Hollywood Style
 - John F. Brock
- Session 14**
- Venue 2. 10.15-12.00 - 24/11/05 (Thursday)
- 74 3D Cadastre In The Context Of Malaysia
 - Ahmad Fauzi Nordin
 - Alias Abdul Rahman
 - Jantien Stoter
 - 44 A Prototype Strata Unit Management System Using 3D GIS
 - Tor Yam Khoon
 - 41 Analysis Of 3D Cadastre Situation In Nepal
 - Dev Raj Paudyal
 - 76 Developing National Geodetic Network and Survey Standards
 - So Vanna
 - Nguon Rattanak
 - Nay Sophal
 - Sok Seth
 - Pang Ponnarath
 - Vung SETHA
 - Lor Chunn Pau
 - Peou Prasong
 - Seng Thany
 - Suon Sopha
 - Meas Bunthoeun
 - Lim Vuan

- Lor Davuth
- Pertti Onkalo

59 GIS Based Cadastral System And Its Scope In Pakistan

- Farooq Ahmad
- Sameera Farooq

68 Implementation Of A Modern Cadastral Survey System – SVY21 System

- Soh Kheng Peng
- Victor Hock Soon Khoo

Geomatics (GPS)

Session 15

Venue 3. 10.15-12.00 - 24/11/05 (Thursday)

12 An Attempt Of Applying GPS To Measurement Of Geometric Condition Of A Gantry Track-Way

- Marek Plewako, Dr.

53 Geomatics Application Global Support Model Using GRASP (Global Roll-Out Application Support Programme)

- Hajah Rozalina Hj Abdul Rahman
- Siti Wana Haji Abdul Gapar

70 Sparrow: A Simple Real-Time Deformation Monitoring System With Gps

- Halim Setan
- Lee Cheh Hang

Spatial Data Management (GIS)

Session 16

Venue 4. 10.15-12.00 - 24/11/05 (Thursday)

87 Development Of Gis Based Road Accident Information System For Brunei Darussalam

- Arefin Jaya
- Aziz Abdullah
- S.K. Khatri
- Supry Ladi
- DSP Irwan Hambali

40 GIS In Shell Exploration And Production Asia Pacific (EPA)

- Thien Chonnyap

39 In Search Of An Effective Map Management System: Experiences In Shell Exploration & Production Asia Pacific

- Chen Chaw Chiong

38 Subterranean Data Bank Or Sutra D'Bank

Dato M. Kuppam

72 The Development Of Malaysian Craniofacial Information System

Albert Chong

Zulkepli Majid

Deni Suwardi

Halim Setan

5 Three-Dimensional Geological Map Of Singapore With 3D GIS Software

X. H. Zhang

Y. T. Zhang

Q. Zhu

Y. K. Tor

Venue TBA. 9.00-10.00 - 23/11/05 (Wednesday)

Plenary 1

78 Keynote - ISO Standards and the Implementation on GSDI

Hans-Juergen Knoop

83 Professor's Chin Presentation

Chin, Prof.

Venue TBA. 9.00-10.00 - 24/11/05 (Thursday)

Plenary 2

81 Asian Flag

President, Asian Flag

82 Global Mapping's Presentation

Global Mapping

Venue TBA. 14.00-17.00 - 24/11/05 (Thursday)

Plenary 3

55 New GNSS Developments And Their Impact On Surveyors

Chris Rizos, Dr.

84 Reconstruction of Cadastre After Tsunami

Tony Hareon

Bentley		Workshop 1	Venue 1. 14.00-17.00 - 24/11/05 (Thursday)
79	Bentley's Presentation <input checked="" type="checkbox"/> Bentley Representatives	Workshop 2	Venue 2. 14.00-17.00 - 24/11/05 (Thursday)
	PCGIAP WG3 (Cadastre)		
90	PCGIAP WG3 (Cadastre) - Workshop <input checked="" type="checkbox"/> Mariko Ito	Workshop 3	Venue 3. 14.00-17.00 - 24/11/05 (Thursday)
	FIG		
80	FIG's Presentation <input checked="" type="checkbox"/> Matt Higgins, Dr.	Workshop 4	Venue 4. 14.00-17.00 - 24/11/05 (Thursday)
	ISO-based SDI in Germany		
77	Integrated Geobasisdata of Cadastre and Topography for ISO-based SDI in Germany <input checked="" type="checkbox"/> Hans-Juergen Knoop
